

Plant Operator

Kentucky Blue Gas Co., a state-of-the-art gas processing facility, operates to remove impurities from its natural gas production. Gas is piped in from gas wells and delivered to a local energy provider for consumption in the Bowling Green area.

We are currently seeking a Plant Operator to join our team.

Duties include but are not limited to:

Under the direction of a Plant Operations Manager, oversees the daily production operations of the plant.

Monitors plant operations for efficiency and safety, ensuring that all applicable regulatory requirements

Some lifting, or shoveling or physical work may be required at times

Requirements:

High School diploma or equivalent

0-2 years of experience in the field or in a related area

Must be able to pass drug screening and background check

Must possess a valid driver license

Computer skills preferred but not required

Must be willing to work 2nd and 3rd shifts

Strong mechanical aptitude required

Ability to troubleshoot a must

May be required to meet certain certifications in field.

Competitive wages, paid time off and paid holidays as well as full benefits (medical, dental, vision, flexible spending account, group life and accidental death insurance)

Company provided uniforms and uniform cleaning services are included.
